CORVEE™ FOUNDATION

EMPOWERING WOMEN. NURTURING EARTH.

**EMPOWERING WOMEN
NURTURING EARTH**

OUR VISION

Our vision is to empower women to live with dignity and self-sufficiency through training and education. We aim to build a society where women are valued and equipped to thrive, while also promoting environmental sustainability by using Eco-friendly materials in our handmade products.

NGO OBJECTIVES

- Our goal is to create work opportunities in handicrafts and arts for underprivileged women, helping them achieve financial independence.
- Our aim is to raise environmental awareness among underprivileged women and train them to create and use Eco-friendly handmade products.
- Our goal is to help underprivileged women achieve financial independence by assisting them in finding and selling their handicrafts and arts products in various markets.

ABOUT US

The Corvee Foundation dedicates itself to the betterment of society. We aim to create opportunities that will empower women and break through the stereotypes.

Our free training workshops and promotions of handmade products help needy and underprivileged women earn financial freedom and confidence. Our continuous efforts to spread awareness about environmental causes lead to the maximum usage of eco-friendly products.

We strongly believe that women are the backbone of society, and we are trying to be their backbone!
